Overview

Crown Security is an independent family owned award winning provider of security services based in the Midlands. After delivering years of high quality security services, we are pleased to offer business class travel to a wide range of organisations, commercial businesses, public sector, private clients & events management.

Our cars operate 24 hours a day, every day of the year. We provided a dependable experienced team with smart low profile, efficient, comfortable vehicles for all occasions. Our flexible approach means that our chauffeur services are personalised to meet all your needs and requirements. All of our staff are security vetted to BS 7499:2002 standards and hold a SIA license.

It is essential to provide the right support to our staff and your visitors and we are pleased to confirm full logistical support is provided from our very own in-house 24 hour control room. Our location gives fast, convenient access to the Motorway network, enabling us to provide a quick response to any unforeseen changes of itinerary or circumstances.

Our commitment to high quality service is fully backed by comprehensive insurance, the appropriate local council licensing and relief drivers on standby. Our vehicles are covered by full breakdown cover with onward travel facilities included. All vehicles undergo 6 monthly road worthiness checks as needed by the Licensing Authority.

Crown Security is pleased to announce, we have been awarded Business Excellence Award 2016 & 2017 and Best Security Company - Midlands for 2015. Crown Security offers a flexible, personalised service which has client safety & satisfaction as the continuing foundation of success.
